INDECOM probes shooting death of 'Crime'

February 2, 2012 - The Independent Commission of Investigations (INDECOM) has launched a probe into the death of an unidentified man who is only known as Gary or 'Crime.'

The police reported that they received certain information and as a result a team of officer went to a house on 55 Mall Road, Kingston 13. Upon entering the premises a man pointed a firearm at the officers. The officers fired in the direction of the man who fell to the ground. A .380 Beretta Pistol with a clearly visible serial number which contained four rounds of ammunition were retrieved from the injured man.

He was later taken to the Kingston Public Hospital where he was pronounced dead. The scene was processed, the hands of the officers involved in the shooting were swabbed at the Hunts Bay Police Station and the body of the victim was processed at Maddens Funeral Home by the INDECOM Incident Scene Examiners.

The Investigation is ongoing; however, so far, no witnesses have been identified.

Investigators are appealing to anyone with information that can help with this investigation to call its office at 1-876-968-8875.
